## PUBLICANNOUNCEMENT

The Government of Palau has decided to extend the prohibition on all commercial flights through the end of May 2020. Palau needs this time to implement its screening procedures, setup testing and treatment equipment, and establish facilities that will enable it to handle the quarantine of individuals in accordance with the Ministry of Health Directive No. 90-20, which authorizes isolation and quarantine measures for individuals who have been exposed to or who are suspected to have been exposed to COVID-19. The requirements of this Directive are set to remain in place for 90 days from April 8, 2020.

The Bureau of Aviation will continue to update on a weekly basis the airline schedule. For further inquiries, please contact Mr. Peter Polloi @ 775-7622 or email to: [saampalau@gmail.com](mailto:saampalau@gmail.com).
