Add items to your package.

Shipments to the EU will require an HS Tariff Code based on item description. If you do not have one, you will be able to look it up as you add items to your shipment.

Must add at least one item with a maximum of 30.

Please note, the sum of all item weight entered will be validated against the total package weight, and must be less than or equal to that amount in pounds and ounces. Items with different values must be entered on different lines.
